

**Apptix Named Number Nine Among CRN 2008 Fast Growth 100**  
*For the Third Consecutive Year, Apptix Achieves Recognition for Impressive Growth*

**Herndon, VA – September 2, 2008** – Apptix (OSE: APP), the industry-leading provider of hosted Exchange email, VoIP phone service, and SharePoint collaboration services for small and medium businesses (SMBs), today announced that it has been named the number nine "2008 Fast Growth 100" company by Everything Channel's *Computer Reseller News (CRN)* magazine. For the third consecutive year, Apptix has progressively moved quickly up the list, after being recognized as number 14 in 2007 and number 36 in 2006. This year, Apptix was recognized as the ninth fastest growing company thanks to its 320.98 percent growth over the last two years.

"It is a tremendous honor to have our growth and success recognized by *CRN*," said David Ehrhardt, CEO of Apptix. "This growth demonstrates that many small businesses have embraced hosted services, such as MS Exchange and business VoIP, which offer cost-effective solutions and provide benefits typically reserved for larger companies."

The annual *CRN* Fast Growth 100 list identifies solution providers, resellers, VARs, outsourcing firms, and consultants that have had impressive growth rates between 2005 and 2007. Eligibility is limited to independent organizations that: are headquartered in the U.S.; sell, resell, recommend, design, or implement information technology products and/or services to business end-users; and have realized net sales of at least \$1,000,000 in calendar year 2005.
