

Apptix Ranked Number 17 in Deloitte's Technology Fast 50 Program for Virginia
Attributes Reliable Hosted Solutions and Outstanding Customer Service to its 1,052% Revenue Growth

Herndon, VA – September 26, 2008 – Apptix (OSE: APP), the industry-leading provider of hosted Exchange email, VoIP phone service, and SharePoint collaboration services for small and medium businesses (SMBs), has been named to Deloitte's prestigious Technology Fast 50 Program for Virginia, a ranking of the 50 fastest growing technology, media, telecommunications, and life sciences companies in the area by Deloitte & Touche USA LLP, one of the nation's leading professional services organizations. Rankings are based on the percentage revenue growth over five years from 2003–2007.

“Sustaining high revenue growth over five years is an exceptional accomplishment,” said Gary Tabach, Greater Washington Office Regional Managing Partner, Deloitte & Touche, LLP. “We commend Apptix for making the commitment to technology and delivering on the promise of market longevity. We are proud to honor Apptix to Deloitte’s Technology Fast 50.”

Apptix CEO David Ehrhardt credits reliable hosted solutions and outstanding customer service with the company's 1,052 percent revenue growth from 2003–2007. Ehrhardt said, “We are honored to have our growth and success recognized by Deloitte, and to be ranked among Virginia’s most prominent technology firms. This award reinforces Apptix’s strategic direction, as well as our solid reputation as a provider of secure and cost-effective business communications hosting services for small to medium businesses throughout North America.”

To qualify for the Technology Fast 50, companies must have had operating revenues of at least \$50,000 in 2003 and \$5,000,000 in 2007, be headquartered in Virginia, and be a company that owns proprietary technology or proprietary intellectual property that contributes to a significant portion of the company's operating revenues; or devotes a significant proportion of revenues to the research and development of technology. Using other companies' technology or intellectual property in a unique way does not qualify.

Companies from the nine regional Technology Fast 50 programs in the United States and Canada are automatically entered in Deloitte's Technology Fast 500 program, which ranks North America's top 500 fastest growing technology, media, telecommunications, and life sciences companies.
