

Apptix Recognized as CRN Fast Growth 100 Company

Apptix named to list for fourth consecutive year; continues track record of impressive growth in hosted services industry

Herndon, VA – August 27, 2009 – Apptix (OSE: APP), the leading provider of hosted Microsoft Exchange email, Microsoft SharePoint collaboration services, and hosted VoIP phone services for small and medium businesses (SMBs), today announced that it has been named a "2009 Fast Growth 100" company by Everything Channel's *Computer Reseller News (CRN)* magazine. Apptix's 2009 number 40 ranking marks the fourth consecutive year Apptix has appeared on *CRN's* list of fastest growing channel companies.

"Earning a fourth consecutive placement on *CRN's* Fast Growth list, especially in light of the current economy, confirms the market has recognized the value of hosted services for businesses of all sizes," said David Ehrhardt, President and CEO of Apptix. "Our consistent sales and customer growth is a testament to the hard work and dedication of all Apptix employees."

The annual *CRN* Fast Growth 100 list identifies solution providers, resellers, VARs, outsourcing firms, and consultants that have had impressive growth rates between 2006 and 2008. Eligibility is limited to independent organizations that: are headquartered in the U.S.; sell, resell, recommend, design, or implement information technology products and/or services to business end-users; and have realized net sales of at least \$1,000,000 in calendar year 2006.
